

**We MUST stop burning fossil fuels.**

**If you haven't yet given up your gas-powered vehicle, at least consider this...**

## **THERE ARE BETTER AND WORSE PLACES TO BUY GAS.**

Here's a list of very **big spenders** working to keep the US dependent on fossil fuels. They lobby Congress, fund campaigns, sponsor climate-denying think tanks, and feed lies to the media. We can **BOYCOTT** these profiteers and demand that they use their enormous influence over Congress to **END** our addiction to fossil fuels -- and to ensure a swift, effective transition to a truly green economy.

**Exxon/Mobil**

**BP** also owns Amoco, QuickTrip

**Shell** also owns Ranger, Circle K

**Phillips 66** also owns Conoco, 76

**Chevron** also owns Texaco, Caltex

**Valero** also owns Shamrock, Beacon

**Energy Transfer** owns Sunoco, Dakota Access Pipeline

**Marathon** also owns Speedway, Arco, ExpressMart, Wow

**Koch Industries** owns KwikTrip, KwikStar, Tobacco Outlet

### **SLIGHTLY BETTER OPTIONS:**

Buy your gas from **locally-owned, independent** gas stations or Costco, Citgo, Gulf, WalMart. At least they're not spending millions lobbying Congress to preserve the oil industry.

Keep this list in your car!
